

## LIMPOPO-LIPADI GAME AND WILDERNESS RESERVE DIRECTIONS TO RIVER CAMP

### Arriving from Zanzibar, Martins Drift (Groblersbrug) or via Tsetsebjwe:

1. If arriving via Zanzibar head north from the border post until you arrive at a T-junction on the tar road, where you should turn right.
2. If arriving from other locations to the west of the reserve you will join this tar road and follow it to the reserve west gate.
3. At the reserve gate please check in with security.
4. Now drive approximately 4km on the main sand road (thick maroon line on the map) until you reach a turn off on your right, heading south. The turn off has a large sign for Limpopo-Lipadi.
5. Follow the road south (pink line on the map) for approximately 2.7km where you will come to a turn off on your left, heading south-east.
6. Take this turning (staying on the road indicated in pink) until you reach the security gate after approximately 1.4km. You will be greeted here and receive further directions to camp.
7. Continue through the gate (staying on the road indicated in pink) and follow the trail as it leads down to the river and then turns west along the bank before arriving in River Camp.
8. Here you will see further signposts that will direct you to your Unit.

### Arriving from Platjan:

1. Driving north from Platjan after approximately 7.4km you will arrive at a T-junction on the main sand road, turn left (west).
2. Follow the main sand road for approximately 11.6km until you cross the Marapong River.
3. Continue on the main sand road until reaching the checkpoint at Baines Drift after approximately 4km.
4. Continue on the main sand road until reaching the reserve east gate after approximately 5.5km.
5. At the reserve gate please check in with security.
6. Continue on the main sand road until you pass the turn off for Lephale Lodge (marked with a sign and large giraffe carving) after approximately 5.3km.
7. Continue on the main sand road until you reach the turn off for River Camp, marked with a large Limpopo-Lipadi sign, after approximately 15.5km.
8. From here turn left (south) and follow step 5 onwards as described above.
